

Rafael Farzaliyev

About me

Law graduate from Baku State University, currently pursuing a Master's degree in Information Law at the same institution. I have practical experience in corporate law and litigation. With a strong interest in Legal Tech, I use Python and data analytics to optimize legal workflows. My goal is to combine analytical and legal expertise to deliver accurate, accessible, and innovative solutions.

Experience

Azerbaijan Railways (ADY) CJSC

Summer Legal Intern | July 2026 – September 2026

- Drafted, reviewed and supported negotiations on 20+ supply and service agreements, including an international NDA
- Prepared demand letters, statements of claim, and objections in court disputes over unfulfilled contractual obligations
- Conducted comparative legal analysis of Georgian and Azerbaijani labor legislation
- Advised on the concept of an authorization matrix for the Legal Department and contributed to drafting corporate protocols

“Femida” Advocacy Module

Legal Intern | October 2024 – March 2025

- Completed an intensive training program focused on advocacy skills, drafting legal documents for simulated case studies, and refining defense strategies through mock trials.

Baku Court on Grave Crimes

Volunteering | August 2024 - September 2024

- Shadowed judges during high-profile criminal proceedings to gain practical insight into the application of the Criminal Procedural Code.
- Conducted legal research and reviewed case files to support the preparation of trial-related documentation.

Projects

Founder & Content Creator |

"Saniyəlik Hüquq" (Legal Education Project)

- Founded and operate a public legal education project utilizing "Legal Design" principles to transform complex Azerbaijani legislation into accessible visual content.
- Translated advanced legal concepts—including Civil Law (Servitude, Usufruct), Labor Law, and Family Law—into clear infographics, successfully growing an organic community of over 700 followers.
- Generated over 40,000 aggregate views across short-form educational videos, with top-performing content reaching 6,350+ views.
- Managed end-to-end content production, combining direct legal research with graphic design, media editing, and community engagement.

Certifications

American Contract Law I | Yale University (via Coursera) | June 2026

Studied core principles of U.S. Common Law including contract formation, consideration, promissory estoppel, interpretation, and pre-contractual liability.
